

An Invitation to Membership

The Friends of the Bird Sanctuary (FOTBS) is a citizen-based volunteer organization that has been formed to help protect and preserve the Douglas County Wildlife Management Area, a property that many people refer to as the Bird Sanctuary.

Our mission is to connect people to the sanctuary, to increase community involvement and support, and to help provide stewardship for this priceless resource. This will require fund-raising, education, outreach and sometimes just plain hard work.

Please help us spread the word. We are counting on our members' gifts of time and talents to help us, as our accomplishments will come through volunteer activities. Your financial and volunteer support is crucial. We believe the Bird Sanctuary is a legacy worth preserving. If you agree, please become a member and tell your friends about us.
